

Tony Fiore – Candidate for VLPOA Board of Directors

My name is Tony Fiore and I'm running for reelection for a seat on the Board of Directors. I moved into Ventana Lakes in June or 2006 and since July 2006 served on the Architecture Committee, Board appointed Ad Hoc Committee for Gardens guidelines, Gardens Landscaping and Advisory Committee, Block Watch, and currently the Board of Directors.

I feel that my work background managing a one point eight million dollar store gives me the insight in making the everyday and long term decisions in keeping Ventana Lakes operating efficiently and looking good at all times. Working within our budget is a major responsibility of being a Board Member.

Even in today's bad economy the board still needs to maintain all the amenities and facilities to insure our homeowners that they can continue using them. In many cases homeowners relocate here specifically for the amenities and facilities.

Keeping up with our governing documents, rules, and guidelines is imperative since decision making requires the knowledge and support of the documents.

I understand we are going through hard times and staying in line with the budget is important because the decisions a Board Member makes affects our assessments. I can look at a project staying level headed because the money spent belongs to you and me.

I can work with other Board Members and will always vote independently letting my conscience be my guide.

"Teamwork is the ability to work together towards a common vision, it is the fuel that allows common people to attain uncommon results"

I look forward to serving you once again but can't do it without your vote. I will always attempt to make decisions based on what is best for our residents within the current budgetary restraints.

You will always have an open line of communication with me.

Tony Fiore
